COMMUNIQUÉ TO ALL ALUMNI OF THE UNIVERSITY OF MEDIA, ARTS AND COMMUNICATION (UniMAC)

The University of Media, Arts and Communication (UniMAC) is restructuring for effective operational excellence. Part of this restructuring, as stipulated in the University's Statutes, Statute 54, states among other things that, the Director of Public Affairs shall be responsible for the *'Management and coordination of alumni activities such as liaising with the association, preparing alumni newsletters and publications, and setting up range of engagement activities with the Alumni.'*

As part of efforts to align Alumni Relations to the University Statutes and consolidate the rich heritage, collective strength, and distinguished legacy of our great university, the Directorate of Public Affairs of the University of Media, Arts and Communication (UniMAC), in collaboration with the Interim Alumni Executives of the Institute of Journalism (IJ), Institute of Languages (IL), and Institute of Film and Television (IFT), is undertaking extensive consultations and collaborative engagements aimed at bringing all alumni associations under one unified and formidable umbrella, the **UniMAC Alumni Association**.

This strategic initiative is driven by the shared vision of building a stronger, more influential, and well-coordinated alumni front that will enhance networking opportunities, deepen alumni engagement, promote University development, and create a powerful platform for advocacy, mentorship, collaboration, and national impact.

In view of the above, we earnestly encourage all existing alumni bodies, executives, year groups, chapters, and individual alumni across IJ, IL, and IFT communities to wholeheartedly champion this unifying agenda and mobilise their members to actively come on board in support of the formation of a consolidated UniMAC Alumni Association.

We therefore call on all alumni to embrace this vision with unity, commitment, and renewed purpose as we work collectively toward securing one strong and vibrant UniMAC Alumni Association for present and future generations.

This is the moment to strengthen our common identity and position our alumni fraternity as a formidable force for progress, influence, and transformation.

Together, let us build an alumni association that truly reflects the spirit, diversity, excellence, and aspirations of UniMAC.

Nana Efua Rockson (Ms.)
Director, Public Affairs
